

Boat Rental Inquiry Sheet

The Squam Lakes Association rents canoes and kayaks to the public at our Resource Center. The Squam Lakes offer excellent paddling opportunities, with many islands, coves, reefs and miles of protected mountain views.

For boat rental rates, policies, cancellation, and general information please view the Boat Rentals tab on our webpage: <http://www.squamlakes.org/natural-areas-trails-and-recreation/boat-rentals>

Kayaks and canoes only. No power boats or paddleboards are available to rent.

This is an inquiry sheet, please fill out all the information below and email to camping@squamlakes.org. This inquiry sheet can be used to make hourly, daily, and multiday reservations for members and non-members. Unlike camping inquires, **a boat rental inquiry does NOT guarantee that you'll receive the rental**. Our fleet is limited. A staff member will reach out to make arrangements regarding your inquiry once it is submitted.

When agreed upon then accepted, a Boat Rental Liability Release & Agreement will be emailed. This agreement will need to be acknowledged by all members within your boat rental group. Please call with a valid credit card number to hold your reservation.
