SLA Youth Programs Medical and Legal Form

We strive to make SLA a safe place for our campers. One way we do that is by having you complete a health history for your child so that we may be better prepared in the event of an emergency. The health form is kept confidential and used by our camp staff (or emergency medical personnel). Every camper/sailor needs a completed health form to participate in SLA summer camp programs.

Please fill out this form as completely as possible. Campers are not singled out, made to feel embarrassed or treated differently because of information gathered from the health form. Rather, the more we know ahead of time, the easier it is to help your child have a successful experience at camp.

Forms must be received before the start of camp. Send forms to: 534 US Route 3, Holderness, NH 03245 or Fax to 603-856-9360 or Drop off at the Main Office or email complete forms to info@squamlakes.org.

You must include a **record of a physical examination** dated within two years of first day of camp.

Thank you!
